AQUITANIMA TOUR Blonde d'Aquitaine

A UNIQUE OPPORTUNITY

Meet professionals in the cattle industry.

Discover different breeding systems through a technical tour that will allow you to improve your knowledge. Expand your network of contacts by meeting French breeders from the Nouvelle-Aquitaine region.

Don't miss the opportunity to participate in our technical visits, with breeders from all over the world!

NOUVELLE-AQUITAINE: FIRST AGRICULTURAL REGION IN FRANCE AND EUROPE

Some features regarding breeding in Nouvelle-Aquitaine:

- 1st region for cattle breeding
- 25% of the national total of sheep population
- 23% of the national sheep milk production
- 35% of the national goat population (first French region).

The region is one of France's leading agricultural areas, renowned for the diversity of its farming practices, from cattle breeding to plant production, forestry, viticulture and oenology.
